It will be interesting to watch and see if this is what he lacked to make him a star in baseball.

COFFROTH AND COCHRANE ARE STILL IN DOUBT

BY JACK VERNON

STAFF CORRESPONDENT, THE TIMES
NEW YORK, Jan. 8.—Tommy Coffroth, James W. Coffroth today appears to have the inside track in the race between prospects for the Dempsey-Carpenter match, this fact resulting from nothing of the sortness his been signed. And until the measures of both boxers are secured by one promoter the proposed match will remain in the "Will of the Wind" class.

Jack Keay's manager of the world's champion, is putting pressure on with a show of such business judgment. Keay is playing a waiting game and it is the consensus of experts in boxing circles that he will not give Dempsey the word to even until he is assured that the boxer had possibly been received.

Conflicting claims of the three promoters who now lead the field in the race for the match have puffed the situation considerably.

Coffroth is confident that Dempsey will accept his offer. William Fox, who has signed all other boxers, is guaranteeing \$25,000 for the match and, with influence that he might set as high as \$50,000, is uncertain, announced that his back representative can bring him that Carpenter is so popular no theoretical or other contracts which would prevent him accepting an amateur offer.

The advance sale of tickets is good and Coffroth is assured of a good crowd. The fight will be at Columbus Hall.

INDEPENDENTS OF GARY TRIM LEGION TEAM OF HAMMOND

This Hammond Post team of the American Legion was defeated by the Gary Independents at the Freshet Island game Wednesday evening 22 to 0. The game was hard fought, Orendeman and the team having the better framework won. This advantage, in Gary's favor can be explained by the fact that Gary's Post men have not been able to practice as much as the others because of the snow at the end of the first trimester.

The game at the start gave promise of being a great battle, but as the score at the end of the first trimester was 1 to 0 in Hammond's favor. At the end of the first half Gary led 10 to 5. Marquardt of the Independents was the only point-scorer with four field goals. In the second period Paul Pollard scored three free throws and one field goal, while Shewell and McLean scored two field goals apiece.

The Independents brought out some good manning. In the semi-final Frank Kupke exhibited his return to the game by defeating Louis Tergan in straight sets. This was the last bout of the night. Superior Veterans was late from their camp ground, and the brothers, Indiana Veterans, won a 70-second decision from Paulie Shewell.

"An hour's wait? Let's light up"

—Chesterfield

THAT'S right, light up! You be the judge of Chesterfield's value.

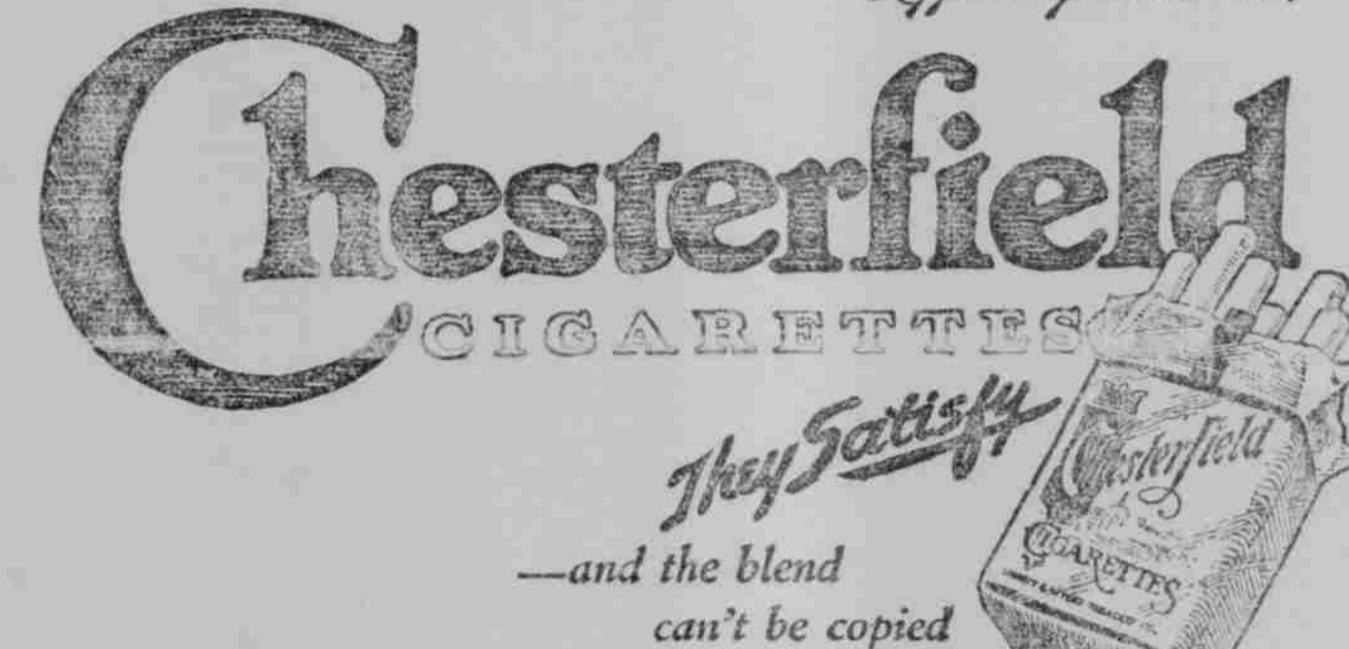

A huge volume of sales, a small margin of profit—that's what makes such valuable—a cigarette made from the leaves of the costliest Turkish tobacco—the real thing—and the finest Blue Grass Burley and golden Virginia.

And get this—these tobacco leaves go together right. Our exclusive lighting process, based on a private formula, brings out the flavor as no other process ever does.

Chesterfields sure do "Satisfy"! See if they don't.

Notice the distinctive package with the moisture-proof covering—keeps the flavor in and the dampness out.

BRENNAN EASILY DEFEATS MADDEN

CHICAGO, Jan. 8.—Marty Brennan, the much-esteemed grappler, had little trouble defeating Henry Orendman at the Second Regiment Armory last night, winning in straight falls.

Whether or not Brennan is a worthy foe of the rumpshakers for the wrestling title last night's contest did not show. Although he was the aggressor, Orendman was not the famous Viking of the North of a few years ago when he was able to hold his own with any of them. His years of practice in the main arena of combat have made him a veritable master of his science and knowledge has helped him against his former strongman, Sorenson.

Orendman ended the first fall in twenty-three minutes and fifty-three seconds with a submission on the body and a hold. The second bout was much easier for Marty. After ten minutes and six seconds he gained the second fall with a double whizzer.

The independents brought out some good manning. In the semi-final Frank Kupke exhibited his return to the game by defeating Louis Tergan in straight sets. This was the last bout of the night. Superior Veterans was late from their camp ground, and the brothers, Indiana Veterans, won a 70-second decision from Paulie Shewell.

YANKS TO TRAIN AT JACKSONVILLE

NEW YORK, Jan. 8.—Bill Brennan, Irish heavyweight champion, if his fight with Bartley Madden last night settled that question. The Chicago Cell had a comfortable margin on Bartley, having had about six rounds to his credit and Madden one.

It was a fair fight for heavyweights and pleased the boys who gazed on the ring.

CADDICK DEFF BURNS AT BOSTON

BOSTON, Jan. 8.—Early morning contests "Caddick" Burns of the Cell and Jacksonville's Eddie Deff were held at the Civic Auditorium.

President Jacob Burns of the New York Yankees last night received word from Harry Sennow, business manager of the club, who is in Jacksonville, Fla., that an agreement had been signed with the Jacksonville in \$12,000.
